## **OUR VISION**

To be the leading independent conglomerate with a diversified portfolio of business interests and the preferred energy value chain partner in the West Africa sub-region.

## **OUR MISSION**

Our Mission is to attain and maintain a position of a conglomerate from concept and planning to execution. We will achieve this with a highly skilled professional team working together, using common sense and practical experience.

We will seek to enhance our competitive position through the formation of strategic alliances with all the relevant stakeholders.

## **OUR CORE VALUES**

The acronym TIEE represents the values that we cherish and live by:

- **TEAM WORK**
- **INTEGRITY**
- **ETHICS**
- **EXCELLENCE**

Forklift On Board Per Hour	
<b>FORKLIFT TYPES</b>	<b>USD</b>
Forklift under 5 Tons	122.71
Forklift 5-9 Tons	153.38
Forklift 10-15 Tons	184.07
Forklift Above 15 Tons	214.74

**Unmet Target:** This is the charge for idle time, it becomes due when a vessel is unproductive and exceeds the agreed number of days she is expected to stay in the terminal for discharge operations due to non-natural factors and other factors not caused by the terminal operator.

**Contingency Deposit:** This is an advance deposit of 5% of cargo dues which becomes refundable in full when the vessel does not incur additional charges after completion of operations. If she does, the deposit is used to offset the additional cost but when this is insufficient, the customer is expected to make good the balance and if the deposit is more than the additional cost, the customer gets the balance of the deposit as refund.
